# ABOUT KAY

## MY STORY

Los Angeles native Kay Cola is a Grammy nominated songwriter, self-made multi millionaire, philanthropist and mother.

In 2016, Kay started Organi Grow Hair Co, an organic solution for natural hair growth and overall wellness. The company, now valued at over \$20 million, has allowed Kay to venture off and invest and expand her portfolio, multiplying profits on a yearly basis.

It has always been a passion of Kay's to help aspiring entrepreneurs achieve their professional and personal goals.

# BUSINESS SUCCESS

Kay will spend one-on-one time with her clients, aiding and providing resources in every element of the business.

- ecommerce
- marketing/seo
- building a brand
- scaling
- hiring a team
- social media

- website development
- packaging
- advertising
- customer retention
- accounting
- logistics

# PERSONAL GROWTH

## AS YOUR BUSINESS GROWS, YOU SHOULD GROW WITH IT

What are your personal goals? We can help.

Kay's initial success allowed her to expand her portfolio, diversifying her investments and extending her business reach.

Get advice and access to resources in all of Kay's investment fields: real estate, stocks, cryptocurrency, restaurants, and high fashion.

# MENTAL HEALTH

## A BUSINESS IS ONLY AS STRONG AS IT'S CEO

Many entrepreneurs fail to realize that they are the heart and soul of the company, and their mental and emotional well-being is just as important as any element of their business.

Speak with Kay about how to deal with specific scenarios, and get advice on how to overcome personal obstacles.
